

THE BIRDS

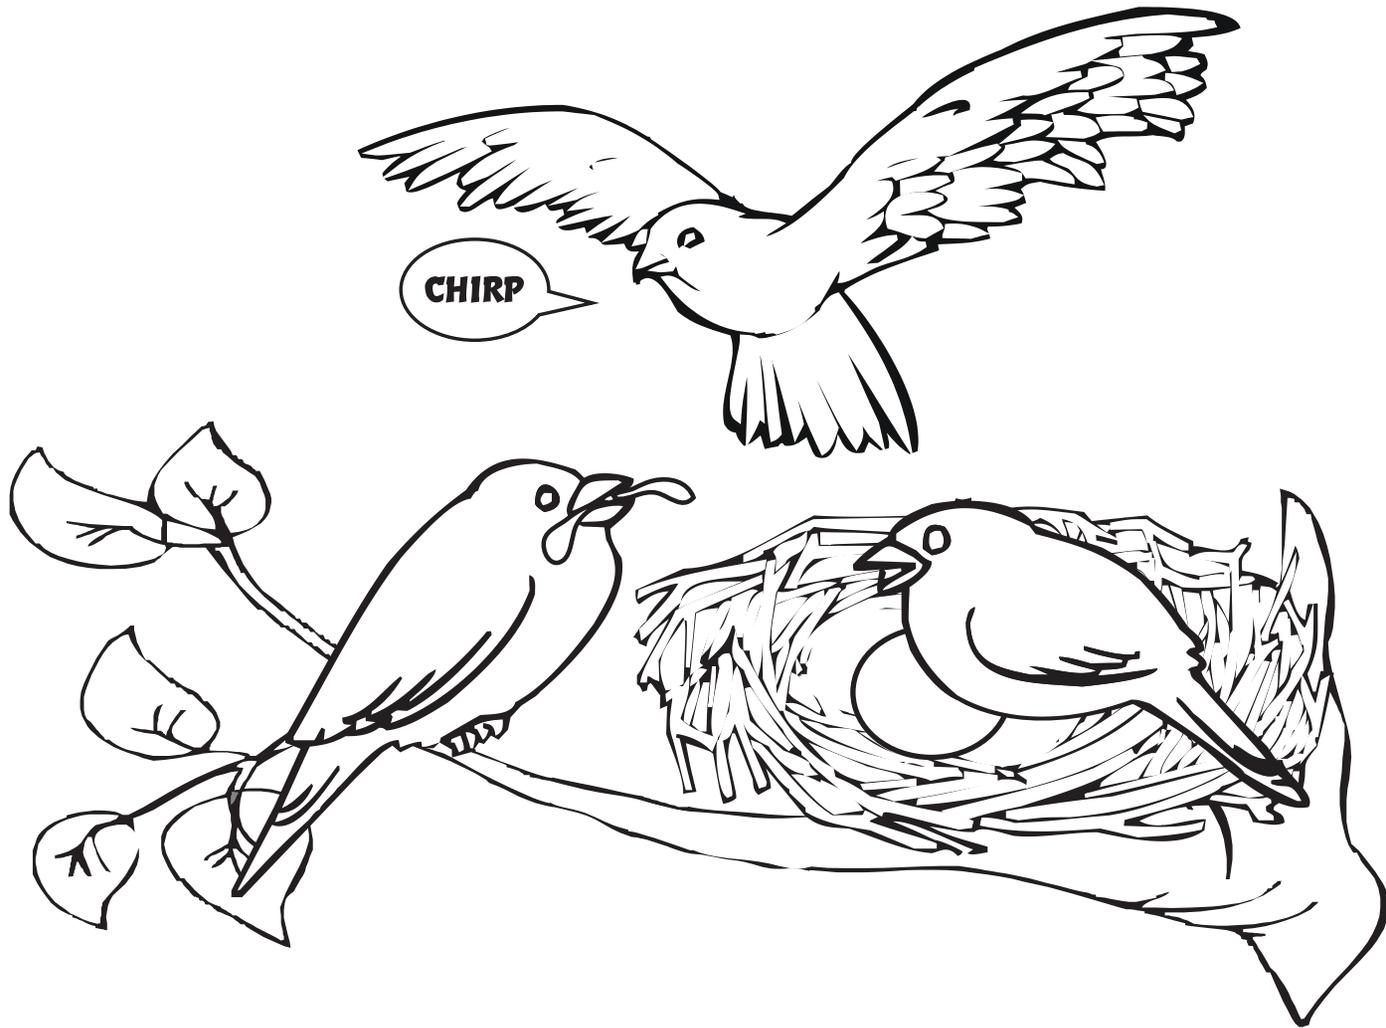

The bird has wings, a beak, and feathers.
The bird can fly, chirp, and lay an egg.

The bird likes worms, bugs, and seeds.

There are three birds in the tree. They are eating pink worms.
The left bird is red. The middle bird is yellow.
The right bird is blue.

The red bird is standing on the branch. He is eating a brown worm.
The yellow flying bird is chirping. The blue sitting bird is laying an egg.
Hooray for the bird!
