Before the Lesson:

At <http://fhautism.com/arc.html>, find Worksheet 11 (Variation 3). Print one for each student, plus a few extras. Write the date on the board.

Teaching the Lesson

1. Distribute the worksheets and pencils to your students. Say: "Write your name on your paper." Make sure everyone writes his or her name. Then say: "Write the date. It is on the board." Make sure everyone writes the date. Take the pencils from them.
2. Say: "(student's name), please read the sentences at the top of the paper." Ask several students to read. If no one can read the passage, read it yourself, or have an aide read it.
3. Say: "We want to color the picture. What three crayons do we need?" Ask the question several times, and allow different children to answer. Then help them find the brown, pink, and blue crayons. Take the crayon boxes from them.
4. Say: "We will color the dog brown, the couch pink, and the dress blue. What color do we color the dog?" Ask the question several times, and allow different children to answer.
5. Say: "Color the dog." Make sure they color only the dog. Repeat the words "brown dog" as often as possible.
6. Say: "What color do we color the couch? Let's look back at our story if we need a reminder." Ask the question several times, and allow different children to answer.
