Before the Lesson:

At <http://fhautism.com/arc.html>, find Worksheet 14 (Variation 1). Print one for each student, plus a few extras. Write the date on the board.

Teaching the Lesson

1. Distribute the worksheets and pencils to your students. Say: “Write your name on your paper.” Make sure everyone writes his or her name. Then say: “Write the date. It is on the board.” Make sure everyone writes the date. Take the pencils from them.
2. Say: “(student’s name), please read the sentences at the top of the paper.” Ask several students to read. If no one can read the passage, read it yourself, or have an aide read it.
3. Say: “We want to color the picture. What four crayons do we need?” Ask the question several times, and allow different children to answer. Then help them find the brown, yellow, orange, and red crayons. Take the crayon boxes from them.
4. Say: “We will color the horse brown, the hat yellow, the pants orange, and the fence red. What color do we color the horse?” Ask the question several times, and allow different children to answer.
5. Say: “Color the horse.” Make sure they color only the horse. Repeat the words “brown horse” as often as possible.
6. Say: “What color do we color the hat? Let’s look back at our story if we need a reminder.” Ask the question several times, and allow different children to answer.
